ARTICLE II
Object

Section 1—The officers shall consist of President, First and Second Vice-Presidents, Secretary-Treasurer and one commissioner from each city. (These officers constitute the Board of Control.) In case of emergency any of the above officers except the Secretary-Treasurer shall be replaced by his own city.

Sec. 2—The President shall be from the Tournament City and Vice-Presidents shall be elected in that order. Second Vice-President shall be recommended by Tournament City Association at annual Commissioners' meeting and elected by the Board of Control. Sec. 8—Four members of the Board of Control shall constitute a quorum at any regular Board of Control meeting.

ARTICLE IV

Duties of Officers

Section 1—The President shall preside at all meetings of the Board of Control and shall appoint an Auditing Committee, consisting of three members from the tournament city, and shall appoint all other committees as may be deemed necessary. He shall be the Executive Officer of the Association, and shall perform such other duties as pertain to his office. He shall be entitled to speak on all matters, but shall not have a vote unless the vote cast results in a tie; he shall then cast the deciding vote.

Reasonable expenses of the President, Vice-Presidents and Secretary-Treasurer attending the Board of Control meetings shall be defrayed from the general fund.

Sec. 2—The Vice-Presidents in order of their election shall, in the absence of the President, perform the duties of that office.

Sec. 3—Secretary-Treasurer must, before receiving a cash balance left over from previous convention or tournament, send to the President bond in the sum of $4,000, said bond to cover a period of three years, dated July 1. (The President, upon receipt of said bond, shall notify Secretary-Treasurer of the past term to forward cash balance and all Association properties to newly elected Secretary-Treasurer. With A. B. C. approval.)

Secretary-Treasurer shall furnish a surety bond at the expense of the Association in the sum of not less than $4,000 (four thousand dollars), and same shall be forwarded to and be in the hands of the President of the Association not later than September 10th of each year.

Sec. 4—The Secretary-Treasurer shall keep an accurate record of the proceedings of all meetings, conduct all correspondence, attend to mailing, notifications of meetings and arrange for the publication of the annual report of the Association.

Secretary-Treasurer shall receive, examine and pay all bills covering expenditures made on behalf of the Association.

The Secretary-Treasurer shall receive all moneys and deposit same in a Federal Insured Bank to the credit of the Association.

Sec. 5—The Secretary-Treasurer, subject to the direction and approval of the Board of Control, shall have sole charge of conducting the annual tournament.

Sec. 6—The Secretary-Treasurer shall receive as compensation for his services during his term 25 cents of each individual entry in every event in the tournament.

Sec. 7—Secretary-Treasurer shall handle all matters pertaining to getting the tournament sanction from the American Bowling Congress.

Sec. 8—Secretary-Treasurer shall have entire charge of annual tournament and shall conduct same along the lines as does the American Bowling Congress in its yearly event. He shall make own arrangements with assistants at tournament city and hire whatever additional help he deems necessary to properly attend to the clerical labors. Line fee shall also include foul judges and scorers to be furnished by alley proprietors. All legitimate expenses for extra help shall be paid out of the general fund.

Sec. 9—Expenses of Secretary-Treasurer, such as railroad fare, hotel and board, for any necessary trip to tournament city or for final tounament arrangements, shall be defrayed from the general fund.

ARTICLE V

Amendments

Section 1—Amendments to the constitution and by-laws shall be submitted in written or printed form to the Secretary-Treasurer, and reason for law changes also given hereto, by not later than November 15 prior to the January meeting of the Board of Control. The Secretary-Treasurer in turn shall send to each Commissioner not later than December 10 prior to this meeting a copy of all changes and new law proposals submitted to him by the various sources, so that they (the Commissioners) may in turn submit them to their respective local associations, and know the sentiment of all concerned, or be instructed on same.

Sec. 2—No new laws may be submitted after the above date and the Board of Control shall be empowered to act temporarily in case of emergencies, and such action referred back to the next meeting and shall carry by a majority vote. All laws submitted according to the laws of this Association shall carry by majority vote.

ARTICLE VI

Tournament City

The Tournament shall be held in the following order: Cincinnati, Louisville, Indianapolis.

Tournament city, in making hotel arrangements, must include in its headquarters hotel contract or agreement complimentary room allotment for the Secretary whenever his presence is required in the city on tournament matters, also agreements must be entered into for complimentary rooms for the President and Secretary for attendance of the Commissioners' meeting as well as during the tournament.

Printing of schedule and other tournament expenses shall be defrayed by the city in which the tournament is held.

Constitution and by-laws, as well as previous champions' scores, must be printed in the yearly tournament schedule.

The tournament shall be sanctioned by and conducted according to the rules and regulations of the American Bowling Congress. In addition, the Union Printing Crafts' Tri-City Bowling Association has adopted the following rules to govern its members:

RULE I—The Board of Control meeting shall be held in Tournament City the second Sunday in January of each year.

RULE II—The annual tournament shall be held during the month of March.

RULE III—Entries shall close 21 days prior to opening day of tournament.

RULE IV—Members or registered apprentices of the Union Printing Crafts or employers of allied union craftsmen shall be eligible to compete in annual tournament.

RULE V—No bowler is eligible to compete more than once in any event.

To establish an average a bowler must roll in 21 or more games in any one sactioned league. Highest average to prevail if a bowler is in two or more leagues.

Should a bowler quit the game for a year or longer, his average at the time of leaving the game must prevail. Any bowler entering without an average shall enter at 140 average.

The closing date for the taking of averages to enter Tri-City Tournament is January 15.

Sec. 1—The tournament shall be conducted in two divisions, Class A, 156 and up; Class B, under 156. A 70% handicap with scratch of 200 shall be used. No Class A bowler can take part in any Class B event. Any bowler not bowling in all three events in his respective class forfeits any right to all-events prize money. Commissioners must vouch for correctness of averages of members from their cities and furnish same to Secretary-Treasurer at time of entry. Any bowler rolling with an average lower than that which is officially correct automatically forfeits prize money and entry fee and disqualifies any and all scores he helped to establish.

Sec. 2—To be eligible to take part in annual tournament contests every entrant must be a member of one of the Union Printing Crafts and carry an active card. Registered apprentices are eligible if credentials are produced from their union. Cards must be shown upon request of President or Secretary-Treasurer.

Sec. 3—Should any person take part in any event who is not a member in good standing of one of the Union Printing Crafts affiliated with the American Federation of Labor as of February 23, 1936, which consists of Printers, Pressmen, Press Assistants, Electrotypers, Stereotypers, Mailers, Photo Engravers, Bookbinders, News Writers, Lithographers, and any other allied crafts not mentioned above, when craft is a member of the international printing crafts unions, said bowler or bowlers will disqualify himself or themselves from further participation in tournament until such time as Board of Control acts on case or cases, as well as those who are on his team as to receiving any prizes, and no financial allowances will be made in the form of a refund.

Sec. 4—All tournament games must start on alley scheduled, likewise the second and third games.
